

Beginner Basics Bundle

How to purchase and begin classes

Introduction

The following instructions are designed to help you begin your journey with sewing. If you don't have a machine, I have student sewing machines you can use.

Step-by-Step Instructions

1. Become a member of *ALL SEWN UP* by clicking [here](#) or select the Bee on the home page.
2. Purchase Beginner Basics Bundle.
 - o Select [Book Class Online](#) on the menu bar
 - o Click on [Bundled Classes](#)
 - o Select "Beginner Basics" for adults or "Youth Beginner Basics" 8 – 16 years of age
 - o Pay for Bundle you selected
3. After you have completed your purchase of a bundle you will schedule your classes.
 - o Select [Book Class Online](#) on the menu bar
 - o Click on Sewing Basics
 - o Start with Class 1 – Machine Basics
 - o Select and schedule for a day and time that fits in your schedule (see tips below)
 - o Select next to continue to the booking form. It will show that your plan is paying for the class. Complete booking and you are good to go.
4. Reminders by email and text (for those that add a cell phone) will be sent the day before class.
5. You only need your machine for Class 1 and 5 (or use the class machine)
6. Class 5 – Basics Package Review we will be making a bag. You will learn 14+ sewing techniques and skills. You will need 2 fat quarters of fabric.

Tips for Success

- When selecting a class to schedule a DOT on the day represents a day with open time slots. Click on the dotted date to see available times to the right.
- If you have questions, seek clarification before proceeding.
- Cancellations need to be done 2 days in advance
- Have a notebook for handouts
- Message if you have questions.

Conclusion

Thank you for starting your journey into sewing. Advice is always free. My goal is to help you dream, learn and create with fabric.
